“ *Richie, I'm sorry for the loss of Dolly. She was our neighbor until she moved into the adult community. She literally saw my brother and I grow up. May she Rest In Peace.*

“ *I had the honor to be one of Dolly's nurses. She always had the most amazing stories about growing up. She was always so sweet and appreciative. She'll be greatly missed. May she RIP and see her friend Kitty again, they have some catching up to do!*

“ *So sorry for your loss Richie. I remember visiting her at the nursing home about 4 years, she was still her cheerful self. I remember when we were all kids she was always a sweetheart.*

“ Dear Richie, our thoughts and prayers are with you all. We loved your mom. She was family, to us. For 53 years, she played so many roles in our lives. Neighbor, friend, teacher, confidant, and mother and grandmother figure to some of us. She was my birthday twin! We met, when she was 42, and I was 12. We always sent each other “the same birthday “ card, and in the later years, always took our photo together, on “our day”. She was a beautiful person, inside and out! No matter what life threw her way, she pressed on, pushed through, kept going, and maintained a terrific sense of humor! God blessed all of us, with the gift she was. Thank you for sharing her, with us. She will be sorely missed, and always loved. Kim & Butch & family
