“ *My love and sympathy to all of you. Your mom was a steady force in my childhood. Your house was my second home and your mom was like a second mother to me. She always welcomed me as if I was part of your family. Too many good memories to list, but suffice to say, she will be remembered with love and fondness.*

“ *My prayers and sympathy to all of you. I remember your mom well from all the years you were at OLPH, and also more recently when she was a resident at the King James and I visited her there. I also have many memories of both your parents and Connors Beach Club....*

*Your mom was a terrific lady, always very loving and proud of all of you.....*
