“ Annie and I met while getting our nails done and instantly hit hit off, for years we would have appointments back to back even for our haircuts, it was like someone wanted us to see each other that often ❤️ As we got to know each other, I realized that I was friends with three of her sons, Dan, Mike and Bill, she was thrilled by that and we instantly bonded, I will never forget our conversations and her beautiful smile, Rest In Peace sweet Annie, don't give heaven too much trouble, love ya
