“ I'm glad I got a chance to thank you Uncle Dan for all you did for me growing up. Yes, I should have told you many times, but I was glad I finally did thank you just last year. You meant a lot to us all, my Mom and you were kindred spirits, more than just two of a kind, more than just brother & sister. The bond you all shared was like no other I have ever seen. You'll always be remembered for your kindness & especially your sense of humor.
