I think your dad hired me and my buddy Dennis to DJ some affairs in the 1980s. Several times. If I have the right guy, he was always kind and considerate. I'm sorry for your loss.

“ *Ed was the best father-in-law. He embraced my family from the day I met him. We have so many wonderful memories and holidays spent together. I will cherish them all. We lost our family music man. I loved all the music he played for us, especially Sinatra. I hope you and my Dad are listening to Sinatra together in Heaven. Our family lost an amazing man and we will miss him so much. Rest in Heavenly peace now Ed. Strong and brave. One of the best. Love you so much Ed. Till we all meet again.*
