“ My husband , who died in 1971 , was Elaine's cousin , Ernie Simpson . We didn't get to see each other much due to his illness and my work schedule - but I always felt that family connection . She and I had many conversations since Bill died . It is a very hard path from death to a new normal for those left behind - but survival is the only answer . She and I were kindred spirits - our paths were so similar . My heart goes out to those left behind who are not only reeling from their dad's death but now their mom . She wanted so much to be with Bill again ... and now she is . She was an amazing person and I am sure she is surrounded by all those who left before her . God bless you all - I had a mass said for her . My heart aches and I extend sympathy to all who loved her .Linda (Sidsy) Simpson

“ The Cichorz family send our thoughts and prayers to the Todd family! Our mother Rosalie shared many best friend memories she and our father Fred had with Elaine and Bill over the years. They all had a great time together while visiting Saint John and Nova Scotia in the 80's.
My children Zach and Alex loved visiting Miss Elaine and Mr. Bill at the campground!
We know Elaine is finally with her Bill again!

I have many memories of Elaine and Bill. Double dated with them and was present at their wedding. I babysat several times for them when Jeff was born. Stayed in contact for many years but sadly have not seen them in twenty five years. My thoughts and prayers for her family and friends for comfort and peace.
