Our Mom was the Strength behind our family. She was a mom to all who entered her life. She would always be happy to see you or talk to you. You would be welcomed in her home.

Mom dedicated her life to her Children and grandchildren, nurturing us all with her kindness and love. Although she had a rough final 8 years, she always kept her spirits up and made you feel that she was good with her life. Even at the end she was smiling, looking forward to her next Life with Her Cubi and reuniting with her son Alex. One of her last words were "I must have done

something good” as she looked around the hospital room and saw her family standing around her and loving her. We all assured her she had, and she is the best mom any of us could ever have.

Mom, we all know that you are walking with Dad and you will be sorely missed by us all. Rest in Peace, in Gods care.

“ *Sending love and sympathy to the whole family. Your mom was a wonderful person - beautiful inside and out. I have such great memories growing up always in and out of your house. She always treated me like family even after I moved to Union Street when I would come and see Lissa and Sophie. May you rest in Peace. Love, Kim Burnett Vitiello*

“ From the time we were 15 yr old friends “Chubby” was so special... a heart of gold and truly good. Through the family growing she was always the most family devoted, always loving and special person I had the honor of sharing. Everyone loved her because she was so real! I’m sad she’s gone but I know she will reunite with her loved ones because her devotion was eternal. Fly with angels my dear Chubby. I love you forever. Till we meet again ❤️❤️❤️
