“ Frankie gajhadhar was my grandpa and he was a really nice man he loved my brother my grandma and me.He had a lot of different story to tell me.My favorite was when he would tell me about his different dogs he had back home in Trinidad. Before he had passed he loved are family dog Bella he would feed her he would do everything to take care of her. He would also do so much as put a blanket on her just so she was not cold at night. I loved him so very much and every day that goes by I miss him even more. Anyways that concludes my memories with him and i love him very very much.
