“ *Cherie, Kenny and families,*

Your mom was an amazing person, she fought a long hard battle with dignity and love. I will never forget her big smile when we kid with her about Kenny being the favorite, and then she would say "yeah", but then look at Cherie with the love in her eyes, and say Cherie. Or when she found out Kenny was going to be a grandfather, and she would just chuckle. She is at peace now and with the love of her life.
