“ I am so deeply sorry for your loss. I have such fond memories of your dad growing up on Timberline Drive. He was such a kind man who gave so much to his family and the community with his services on the rescue squad. Please know that the Langley family is saying prayers for you all during this difficult time. I can still hear him calling Janet's name when we were younger. He will forever be a wonderful part of my childhood memories (as will all of the Mee family). Much love to you all...
