“*Hughie I've known you since you were a teenager til your passing! Yes I were a character with a very kind and gentle soul who loved life itself! While I was at McGrath Towers, I lived right in back of you and you were quite the entertainer of the group and very helpful to all! You loved the times you got to spend with Alexis and she loved her Uncle Hugie much. You could always hear them laughing about this or that you tried to make those times special for her. I saw Alexis just last year working at a store and my what a beautiful intelligent person she is and she'll never forget her Uncle Hughie she loved you very much! Well your with your family and many friends from McGrath now and your at peace and out of pain! RIP you will be missed God Bless*”
