

Jeffrey C. Mundorff

February 24, 1965 - February 8, 2025

Jeffrey Mundorff passed away unexpectedly on Saturday, February 8, 2025. He was born in Red Bank, grew up in Hazlet, and lived in Middletown at the time of his death.

Jeff started his career at International Flavors and Fragrances (IFF) as a computer programmer, left to start a Landscaping business and spent the last 19 years as a Department Manager at Home Depot.

Jeff was a gentle and kind man. He was selfless and always put the happiness of his family before his own. He could be counted on to lend a helping hand to anyone that needed it. Although he may have seemed quiet, every once in a while he would allow you to see his strong wit and was one of the funniest people that we knew.

He was an extraordinary father to his daughter Madison. She was always his first priority. He adored her and it was evident to all. He was a shining example of what a father should be. Jeff was also an unwavering partner to Sandra, caring and devoted son to Muriel, loving brother to Pamela, Stephen and Donald, a kind uncle and dependable friend.

Jeff was a die hard NY Yankees and Dallas Cowboys fan. He was a true animal lover at heart — he always had a pet(s) including dogs, cats,

parakeets, fish, a guinea pig, and even a rat. He had a passion for landscaping and loved a good lawn, planting flowers and trees. No piece of land was safe from Jeff's creative hands.

He leaves behind his cherished daughter Madison Mundorff, partner Sandra Mundorff, mother Muriel Mundorff, siblings Pamela Maliszewski, Stephen Mundorff, and Donald Mundorff. Jeff is predeceased by his father John Mundorff.

Jeff's Memorial Service will be held on Monday, February 17, 2025 from 9:00 - 11:00 am at the Laurel Funeral Home, 201 Laurel Ave, Hazlet Township. Funeral services will be held afterwards at Fairview Cemetery in Red Bank, New Jersey.

“ Jeff was a bright spot in a dreary world. I had the pleasure of working alongside him for most of my nights for the last 3 years at the Home Depot. Seeing his name on the schedule always cheered me up. He always made sure to come by my desk and check in on me if he knew that I was in that day.

Jeff was hilarious, helpful, and kind, and always went out of his way to commend and thank me for any help that I provided within and outside of my department. He also split his sandwich with me once because he didn't want me to go hungry, and he "wasn't going to finish it anyway."

Jeff was truly one of my favorite people at work; he is sorely missed every day, from his rapid shuffling footsteps to his sarcastic jokes. May his soul rest in everlasting peace. My deepest, heartfelt condolences to all of the Mundorff family.

“ *My daughter was friends with Sandy and Jeff's daughter throughout elementary school. They lived down the block so as we walked the girls back and forth I got to talk with Jeff often. He was always working on something; redecorating, landscaping or enjoying his cat and beautiful Golden Retriever Dakota. When he began working in Home Depot we'd see him there and he'd always spend a few minutes chatting with us. He was the sweetest, most gentle, kindest and most selfless person I ever met and I mean that sincerely. Sandy and Maddie meant the world to him. I will never forget him. We on earth lost a great human being, heaven gained a remarkable angel.*

*Rest in peace dear friend
