“ Joan or Ma as most of us knew her as was a big woman. She had to be to hold that large and loving heart! She welcomed everyone but if she really liked you she adopted you into her family and loved you as family. She was my son's only grandma for the first 10 yrs of his life. I always wanted a sister and Cindy became my sister. This family has given me so many things over the years, love, family and so much more. I am eternally grateful for having them in my life for the past 43 years, even if in the last few I have been vacant. Please know all of you have been in my heart and thoughts. Ma may you rest in peace, you are loved

“ *Mommy Joan, because of you I had extra special times as a kid. Your house was my first sleep over, and you let me sleep in your bed cause I got scared in the middle of the night. Because of you I'm a cat lady. Your girl Patches had babies, and at 7:00 on a Sunday night you and Uncle Bill brought me my first kitten. I could go on for hours and not even cover half the ways you made my life special.*
