“ I am so sorry to hear about John's passing. He and I were fourth grade buddies and fellow athletes until he injured his leg. I probably told him that I had had a crush on him in elementary school. At least, I hope I did. I enjoyed our conversations on Facebook, and I was delighted to know that he called me JoJo, which my grandson now calls me. He validated me as a gifted athlete, which no one who knows me now believes! Again, I am so very sorry for your loss.

“ Jackie B,

We go back a long, long time buddy--over fifty odd years. Those early days back in East Keansburg stick in my mind like they were just yesterday. There'll never be another one like you Jack. It's too sad and hard to believe that you're gone. I'm gonna miss you, but we'll get together again some day and visit Charlie's and Ritter's and then meet up with everybody once again on Ideal Beach.

Rest in peace Jack.

Turtle.
