“ I've known Tracy for over 50 years when my family moved in next door to his. "The Farrell boys and Kowalski girls" as we were known. He was a wonderful friend through all of these years. So many of my childhood memories include him and always will. He was there for me anytime I needed him and even when I didn't know I needed him. He was generous, kind and funny. I will miss him more than words can say!!
