“ We only knew each other for a few years but during that time we spent a lot of time together along with other friends... You were such a beautiful soul. I wish we would have kept in touch and that you didn't leave us all so soon... I remember all of the fun times out at Friday's or at an all night diner- or even just driving around aimlessly. We had so many awesome times and laughs. My favorite was in Seaside Heights after Jr prom (for my HS). We had the most disgusting hotel room but we made due and had a blast. Wish you were still here with us. Hope you're smiling down on us all now. Miss you John.

“ John and me became such good friends in 9<sup>th</sup> grade and stayed that way throughout high school. We stayed up many many nights on the phone until the wee hours of the morning. We lost touch over the years but I can't believe I didn't know until today. I wish there was something I could have done for you. I wish I could have been there for you. I will remember you as you were. Fun, loving and the most caring person I ever met. Your smile could brighten my day on the worst of days. I didn't know u as we grew older but we knew knew much about each other that it could have lasted a lifetime. I miss you John and I always will.

John was an old classmate in grade school. He was always, always helpful, kind, sweet. of course, we lost touch after 8<sup>th</sup> grade and I'd always hear tidbits about his life from my mom speaking to his parents. Sadly today I found out he's gone. I wish I could've heard better news. I hope he's off in a better place and knows he's loved and missed.
