“ My twin sister Barb & I knew Lisa since we were teenagers. Barb & Lisa became best friends. They traveled to Mexico & Hawaii. All 3 of us were avid cat lovers. When I moved to Upstate NY when I was married, Lisa would often visit and even went out for New Year's with my ex-husband's family, Barb & her husband & Gary. We had a blast. She was a beautiful bridesmaid in my sister's wedding. I have many fond moments of laughs together and our love of music. Bev (Savino) Wickham

“ Lisa and I became besties back in the early 90's when she started working at the Garden Manor. We took 2 vacations together. One to Europe (London, Germany, Austria & Switzerland) and another on a Bahamas cruise. We always had fun together and would forever joke about her not getting the punchline of any joke. Every year on September 3 of her birthday I would call her up and sing the first line of the Temptations song, Papa was a Rolling Stone with 'It was a 3rd of September, a day I'll always remember' and she would laugh and then we would chat for about an hour or more about nothing but laugh the whole time. I will miss my friend and never forget all the good times we had. Love you Lisa 💔

“ Never got to meet Lisa in person but we met online sharing the love of our fur babies. She is the sweetest of person and I will miss our texting each other. My prayers go out to her family and friends.
