“ *It's unfortunately been many years since I've seen my Aunt Dolly, but remember her being such a sweet woman. Although I was quite young, I do remember how nice and funny she was. My condolences to Barbara and the rest of her loving family.*

“ *We will miss you Aunt Dolly, I will always remember the laughs and the fun that we have had during my childhood. The Memories of our Aunt who loved us all. The Times you had with your sisters, eating Limburger Cheese, and chasing us kids out of the house, because of the smell. Our Love to you Aunt Dolly will never go away. Rest in Peace. The Stetson Clan.*
