“ *Marge one of the most greatest people I have ever met my life. If she didn't like you you knew it. If he did like you you also knew it. Every time we talked we always laughed either in person or on the phone. Marge would give you the shirt off her back if you needed it. I've shed many tears since her passing. The only good thing is Marge will be with all her loved ones that passed and she will not have any more pain. Until we meet again I will always love and miss you.*
