“ I have nothing but good memories of Marry. I loved having her for s cheerleading coach. She tried to be mean & stern with me cause I never shut up lol but behind every yell she had a smile. At the end of almost every practice she would tell me "Parker you need to keep your trap shut cause your actually pretty good just a real jabba jaw!" Something else worth mentioning that I will always remember is her giving me a free hot dog on Tuesday when I forgot my lunch. We all know it wasn't free, she paid for me to have one. She was a great lady and an awesome mom. Laura she adored you and I know your hurting right now but I hope you find comfort in knowing you passed right through those gates Sending love and prayers my old friend. Rest in peace coach 🙏
