“ Aunt Maryann was an amazing woman. I may have only knew her for a short amount of time, but she showed me & my family love to last a lifetime. My girls, Aerona & Clover loved her so very much. Aerona especially loved to reorganize her side table & bring her plastic Tupperware lids.

She was the first thing someone saw when they walked into her house. She always had the biggest smile & loved to greet everyone. She was understanding, compassionate, beautiful, & so so very caring.

We miss you so very much. And always will.
We love you.

“ *It is with a heavy heart that I share the passing of my wife, Maryanne Minnuies. Maryanne was 66 years old, and we shared 34 years of marriage together.*

She was the heart of our family — a devoted mom, a proud grandma, and a brand-new great grandma. Her love for her family knew no limits, and she gave endlessly of herself to those she loved.

Maryanne found joy in the simple things — watching hummingbirds flutter by and cheering on her favorite horses during races. Those quiet moments brought her happiness, and they will forever remind us of her.

Our lives are forever changed by her absence, but we are grateful for the years, the memories, and the love we were blessed to share with her. She will be deeply missed and always remembered.

Please keep our family in your thoughts and prayers during this difficult time. 💔

“ *Losing my mom has been incredibly hard. One of the hardest parts is knowing my mom became a great grandma just days before she passed. She didn't get to meet her first great grandson, but I know she would have loved him beyond words.*

Thank you to those who have checked in and kept our family in your hearts — it truly matters.

“ So much to say about a wonderful woman my aunt Maryann, the words that comes to mind when I think of her is kindness she was ever so kind and sincere. He always put her family first and when she laughed it was a full belly hearted laugh that filled the room The way she dictated to us with the point of a finger she would get something done always mean well. My heart breaks as her light here on earth is extinguished only to shine ever so brightly in heaven with our Lord I will always remember her Bundt cakes and special bread that she would make on occasion Her love of Elvis, Elton John, Eagles, and Stevie Nicks as well as favorite shows price is right wheel of Fortune, the Kelly Clarkson show and of course the news she loved knowing things first she always had me prepared every night when I would leave she'd say you have your keys. Do you have your phone? I can see her sitting in her chair so vividly Maryann has been a part of my life since childhood close friend as well as family she helped shape my life always in year to listen so many trips to REDBANK down Broad Street from her apartment, Erie's luncheonette right next-door and the 711 Jack's music shop and Woolworths Sleepovers at her house for a blast. She made my childhood fun as I get older, her wisdom of the street as she would say I came from Jersey City. I know the streets she's been around the block and always said so her knowledge of the craziest information but wise in her own way about many things, always the shoulder to cry on and always asking And wishing everyone well so when I think of Maryann, I will think of her kindness and her kindness for others may her light shine brightly in heaven

Dear Pat, Mary, Mae, Diana, Ronnie and Ernest. Thinking of you all during this incredibly difficult time. Maryann's heart and door were always open to anyone in need. She had a great sense of humor, good laugh and made the best almond cake in town. She will be dearly missed. "Sleep in heavenly peace," Maryann.
