“ I used to work with Naty at the Hope Tower. She was the sweetest person. If I needed to explain to patients or ask questions she was so helpful and always lending a hand. Her smile lit up the room and she talked about family and the trips she would go on. So sorry for your loss. She will be missed. May God embrace her and lead her home where she will watch over you and be your guardian angel. She is always with you in memories and pictures. Pay attention to signs and keep talking to her. She will be there for you. You just don't see them but you feel them💕💕
