“ *In memory of Neil Franetovich
I don't know if anybody will be reading this, but I just want to say
how sorry
I am to find out about Neil's passing.
I met Neil back in 93. Neil was my supervisor at Continental Airlines.
We worked together for years
At Continental Express. He was a great guy, always was a very
caring person .
Someone once told me that when you work with someone everyday,
that you become like Family. After leaving Continental Airlines and
relocating
To California to pursue my new career,
I often thought about Neil and all the people that I've worked with
over the years. I'm sorry that I wasn't able to reconnect with Neil but
he will always be with me in my heart and in my memories of when
we worked together. I know Neil is in Heaven
And watching over us .*

*Hi Keith Neil has been on my mind since he left us. I think about him
every day. He was a great supervisor and definitely is missed by those
who personally worked with him like myself in Continental Express until
they moved us to the Terminals. Continue to R.I.H. Neil for I do know
that you are watching over us all*

“ Neil, you were my grammar school crush at St Anne. Upon graduation we went our separate ways, you to St Michael's me to Holy Rosary Academy. We lost touch until a few years ago, we found our friendship again on FaceBook. It was great catching up with you and sharing our life stories. I know you had some health issues but never knew how serious it was. You will be missed my friend but never forgotten. Rest In Peace my dear friend, Neil.
