“ *I'll always cherish the memories I had at the Gaynor home. Her kind way & thoughtfulness reminded me of my own mother. I wish her peace as she's taken into God's kingdom & that the Gaynor family find solace in the many memories of their mother, grandmother & Aunt.*

“ *My sincere condolences are with the Gaynor family at this time. I can't say enough about the kindness shown towards me by this amazing lady. I feel blessed to have known her & my heart aches for her family at this moment. She reminded me of my own mother in many ways. One of the most caring people I have known. I would hope the memories left for her family...both Gaynor, Decasse & extended will help them get through this very tough time.*

As a devoted wife, mother, grandmother, sister & aunt I know she will be watching over everyone with a caring & watchful eye.

May God Bless Mrs. Gaynor as he takes her back into his kingdom.

With love....Brett Millering

“ *although we were thirteen years apart we may have never seen eye to eye. I want to thank you for being who you were to your family. It is strange to know that you have gone back home to heaven with our mother and father. May you always watch over your children and your grandchildren.*
