“ *Randi, you were part of my life for over 50 years. My memories are too extensive to write but are full in my heart. Your strength, your laugh, your love of having a good time, and your no nonsense approach to life leaves us with the sweetest memories and love of family! Jeg elsker deg Randi. You are missed.*

“ There are to many memories to write. All of the great times at the Norwegian property. The smell of fresh waffles and strawberry preserves. So many good times shared with family and friends. Randi was one of the strongest women I know. She loved her children with all their faults and she loved her grandchildren in that way only a grandmother can. She will be sorely missed by so many people. She touched so many lives. God speed and Rest In Peace.
