“ *Bob always had a kind word and an understanding in his eyes that spoke volumes. His good nature and kindness won me over as a child and grew throughout my life. As an adult I had the greatest respect for him and am honoured to call him my Godfather. I'm so thankful for all the warmth and welcome he bestowed on me and my family throughout the years. He will be missed with an ache in my heart. Rest in peace Bob , Love Susie and family xo*
