“ I have so many memories of Mrs. Hill. I first met her when I was about 14 years old and would sometimes stop there with my sister on our way to school to dry off if it was raining. Four years later I rented an apartment in front of her house. Thank God for her when I had my little girl. She was a blessing to me. She introduced me to soap operas back then. Don't know what I would have done without her then. May she Rest In Peace 🙏
