“ *I just want to say R.I.P to my mother Tabitha. We didn't have the best relationship or know each other very well but she is still my mother. I know she's not suffering anymore and she's finally at peace with my sister Christiania. She gave me the ultimate gift which is life itself. I haven't always been nice but there's a part in my heart that will always love her no matter what. I didn't think I'd have to say goodbye so soon but when it's time it's time. Rest easy mom and I know you are with sissy watching over us all.* ”
