“ *Uncle Ted was always very proud of where he came from and gave the biggest bear hugs when he saw you. I'll miss his wry sense of humor, as he never left without a joke that might be a little off color, but always entertaining, and that great roar of laughter when he thought he got one over on you. Rest in peace dear uncle. We'll surely miss you!*

“ *How the years have flown since I first saw Ted in my parents living room picking my sister, Edith, up for their first date. He was all spit polished in his uniform and looking so very sharp. I never had a brother so Ted filled that slot for me. He was a wonderful addition to the Sullivan family and we all have loved him from the very first day he came into our lives. He was a good and caring husband, father, brother-in-law and friend and we, who remain here, will miss him so much. For those who have gone on before him, he will be receiving a most glorious welcome. Alice Sullivan Leeman*
