“ I'll never forget the first night we started talking and you realized who I was and took me person to person and told them to always make sure I was OK and not to let anyone bother me,nevermind your humor and just your personality alone was enough to fill up a house,you were definitely one of a kind with a good heart.You will always be missed now you have your wi gs to soar and be a guardian angel over the ones you loved

“ Tommy, I can't believe you're gone. For the past 24 hours I've been praying it was a horrible rumor. Now the nightmare of the reality is setting in. I'll always remember you for the over protective big brother you are. May blessings and prayers be with you kid. Love u always bro
