“ *Without you I don't follow the Dallas Cowboys, I do not like to play football, I don't learn to roller skate, I don't try speed skating, I don't try breakdancing, I don't learn how to be cool, I don't meet a whole family of fellow Plaza and South Amboy roller skaters.*

Basically, my life would've been much less fun and exciting without you Tommy Boy. I truly regret not catching up with you again after losing touch.

So you've taught me a very valuable, final lesson...we are not guaranteed our next breath. Find an old friend that means so much to you and catch up over a few pints in the name of Tommy. You may not get another chance. Rest in peace Tommy. Watch over Mom, Dad and Samantha.
