“ *All i can say is my Grandfather was my hero, my idol and everything a man can be in life. He is loved by all and we all use the phrase my dad, grandpa my husband was the greatest. We in the Reed clan can say the same as he taught us all how to be a husband a father a grandfather and a family first type of man. Also the love for country as he served proudly in the US Navy during WWII. Gramp you will be missed dearly by all and your memory will live forever. Thank you for all the great memories. Love you and will miss you dearly.*

“ Unfortunately we were notified that the cemetery is not accepting flowers at the grave due to COVID restrictions. The family is asking that instead of flowers a donation to the Humane Society or any Animal rescue service in his name would be very much appreciated. Walter loved animals and we know that would be his wish.
