

## Warren F. Jacobs

March 28, 1952 - November 7, 2023

Warren was a devoted son to his parents Vivian & Warren Jacobs, who are deceased. He was a caring brother to his siblings Craig & Charlotte Jacobs. He has two nephews Michael & Frank, and a niece Melissa. He also has a great niece Madison and great nephew Joseph, who he loved dearly and was always so eager to see.

He was a homebody, who found pleasure in simplicity. A home cooked meal, watching television and family gatherings are the things that made him happy. He was a big sports fan, always in favor of the local teams; Yanks, Mets, Knicks & Giants. He was an easy going man who was grateful for the little things in life. He loved sharing his knowledge of current events and sports with others, and had a good sense of humor. He was helpful and considerate to those around him and never complained when something was asked of him. He was humble and authentic, always giving a genuine version of himself.

He was born at Fort Monmouth Hospital in Eatontown. He graduated Keyport HS.

Over the years he lived in Keyport, Keansburg and N. Middletown.

“ *I graduated with Warren from Keyport High School. He was a very quite and shy fellow, but always polite with a sincere smile. God give his wonderful family HIS peace in knowing Warren is in the arms of our gentle and loving Jesus 🙏🙏*
