“ *My thoughts and prayers are with all of you at this very difficult time. I met Billy (along with brother Pat) at Fort Monmouth and we became fast friends. I remember spending many fun times together at the Elks Lodge with him and will keep those memories close to my heart. Sadly we lost touch over the years but he continued to cross my mind quite often. Wishing the Wetzel family peace and comfort ... Billy was loved by many.*

*Rest easy my friend ... until we meet again xo*

“ I'm very sad to read of the passing so early of my friend Billy. We worked well together on the grounds crew at the Charles Wood area of Fort Monmouth in the mid 1980`s. i always like Billy when he was my boss then and I became his later on. We talked often at work. Ironically, I was just thinking of my days working with him a few nights ago. I also know his brother Pat for several years at the Fort. I miss them both and others I worked and laughed with. To his family I send my deep regret and condolences. Unfortunately. due to some health issues at age 78 I cannot travel at night or long distances anymore. See you later, Bill, on some Spring grass cutting day...you will be missed.
